

## BOXER MAJOR BY ATIBOX SHOW 2023

Dear Friends,

We live difficult times, it's not the best moment for our BOXER breed, concerning all the attacks to Brachycephalic breeds coming from animalist's, vets, and all those people who don't know and don't have any knowledge behind our lovely breed.

ATIBOX is working to find different ways to defend the BOXER worldwide, we were present recently at the BOAS conference promoted by the Kennel Club of Norway in partnership with FCI concerning health topics, and ATIBOX as a world boxer recognized association is also working to find the best ways to promote much better our breed, and new event is born.

ATIBOX traditionally used to have one show per year " ATIBOX WORLD CHAMPIONSHIP" historically organized by a member country, and we will be continuing with that, but, with live moments where we need to act to unifying the Boxer World, we must be leaders on this process, we will organize the very first BOXER event, 100% organized and managed by ATIBOX, where we will make a new official show recognized by FCI.

The very first breed festival will be named "**BOXER MAJOR**" ,international boxer show organized by ATIBOX, where we will give the annual tittle **BOXER MAJOR of the YEAR**, all the rules and show organization will be in accordance with the FCI and Atibox show regulations and the very first **BOXER MAJOR** edition will be in the mother country, Germany, at the same weekend as the Boxer IBC Jaherssieger on the 28<sup>th</sup> & 29<sup>th</sup> October 2023.

It's time to be together, it's not the moment to be divided, we invite all Boxer associations, all countries, all breeders, all exhibitors and Boxer Lovers to come for this very first edition of Boxer Festival, where we can all stand together for this beautiful breed, where we can sit all together for a moment, and enjoy our lovely breed.

You are all very welcome, the Boxer breed comes first.

We are waiting for you.
