

ATIBOX SEMINAR ON BOXER HEALTH FIRST ANNOUNCEMENT

Dear boxer friends,

Recognizing the importance of the health issues in our boxers, education on health is one of the main strategies of ATIBOX.

Therefore, we wish to invite you to join us in Belgium for the very first ATIBOX Seminar on Boxer Health! It is open to all boxer owners, breeders and boxer fans interested in the topic, not only professional vets, and you are all most welcome to attend!

ATIBOX Seminar on Boxer Health will be organized by ATIBOX Health Committee on the afternoon of **Friday, May 29th 2020.**

More detailed information will follow soon!
